VENESEL

HSE POLICY

VENESEL is dedicated to sustainable development by prioritizing health, safety, and environmental (HSE) responsibility across all its operations.

HEALTH AND SAFETY

To ensure a safe working environment, VENESEL:

- Provides comprehensive health and safety training at all levels.
- Adheres to Occupational Health and Safety (OHS) regulations to promote a culture of workplace safety.
- Identifies, assesses, and mitigates potential occupational hazards.
- Investigates and reports all workplace incidents to prevent recurrence.
- Integrates health and safety considerations into all business decisions.

ENVIRONMENT

VENESEL is committed to reducing environmental impact by:

- Complying with all applicable environmental laws and regulations.
- Minimizing emissions, waste generation, and pollution through best practices.
- Enhancing energy efficiency and sustainable resource utilization.
- Collaborating with stakeholders to promote environmentally responsible operations.

SOCIAL RESPONSIBILITY

- We engage with local communities and stakeholders to support sustainable development.
- We enforce a strict smoke-, drug-, and alcohol-free workplace policy.
- We ensure fair treatment and well-being of employees and external personnel involved in our operations.
